Edinburgh Castle (from the East) with the National Gallery of Scotland and the Royal Scottish Academy in the Foreground. Edinburgh Castle is an ancient and historical building on a precipitous hill in the centre of the town. This almost impregnable position has made this hill the site for a castle from very early times. Up these heights Claverhouse climbed to interview Gordon with the object of persuading him to raise his standard on behalf of James Stuart. The ancient Scottish regalia is kept here.
